This moderation report covers activities for the period April-June 2025.

Between April and June 2025, we requested **36 assessment samples** from **four providers** delivering standards in this industry. These samples underwent desk-based moderation.

Our moderators agreed with 100% of the assessment decisions made by providers. The verification rate is the same as the previous year (100% from nine samples).

In comparison, the verification rate across the entire sector for the same period stands at 82%.

TEO results show all providers moderated met the moderation requirements. There were many examples of good practice assessment that our moderators were able to feedback to the provider.

Interventions to improve verification rates and support providers have been in place sector wide such as hui whakapūmau provider site visit, online seminars and professional development workshops conducted face to face for individual providers.

Moderation results, positive or otherwise are discussed with the provider, and followed up with a report. Any actions for improvements are agreed with the provider and implemented.
